The screenshot shows the RENTALL website interface. At the top is a black navigation bar with the logo 'RENTALL Let's help each other' and links for 'Categories', 'Booked from me', 'My bookings', 'Manage products', 'LogOut', and a user profile 'kowalski'. The main content area displays a guitar rental listing. On the left is a large image of a black electric guitar with navigation arrows. To the right of the image, the text reads: 'PRICE: PLN 30.00', 'Total cost: PLN 0.00', 'Description: Squire Strat, 3 singlecoil. Will rent to you for any period, up till month. Price is 30 PLN per day. Color is sunburst, not black :)', 'User Description: looks brand new', 'Condition: Good', and 'Contact: Ivan, +48577017533'. Below the contact information is a date range selector with 'From' set to '2021-01-22' and 'To' as a placeholder 'yyyy-mm'. A 'Reserve' button is at the bottom. On the far left, it says 'Product status: FREE' and 'View user profile'. A calendar widget is overlaid on the right side of the page, showing January 2021 with the 18th and 22nd highlighted. Green arrows point from text boxes to various elements: from the 'Find product' box to the guitar image; from the 'You MUST BE Logged in' box to the user profile link; from the 'Select a date range' box to the calendar; from the 'How to pickup' box to the 'Reserve' button; and from the 'You can view a person' box to the 'View user profile' link.
